New York-WASHINGTON-Paris.

Our business hours, until further notice, are 8:30 a.m. to 5:30 p.m.

All Calendars Reduced to Half Price-Main Floor, G Street.

# Friday Will Be a Special Remnant Day,

ND there are hundreds of opportunities to buy something for household or personal use at half, nearly half and less than half regular price. A clear-up of all remnants which have collected since January 1, and those left from our great holiday trade. And

while the stocks as a whole are cleaner and freer of remnants than at any time since we have been in business, there's an attractive collection of goods and garments for present use, for personal wear and home adornment.

Some few things are soiled, mussed or otherwise defaced, but the majority of them are fresh, seasonable goods, principally odds and ends and small lots left from larger lots of new goods, and worth the full price, but they are remnants and must be sold at once. Included are several unusually strong bargains in merchandise secured under price from manufacturers. These we also offer at very specially low prices for immediate and complete clearance.
